SUMMARY

I am a frontend, **backend**, and app developer skilled in Next.js, **React Native**, Django, and modern JavaScript frameworks. I have built projects like a YouTube Clone, **Aarogya App (backend)**, travel planner, and safety app, focusing on scalable and user-friendly solutions. Experienced in optimizing performance and automating workflows, I also gained problem-solving and teamwork skills through **hackathon participation**. Passionate about technology, I strive to deliver impactful digital solutions to real-world problems.

EXPERIENCE

Intern

SkillCraft Technology

07/2025 – 08/2025

Mumbai

Completed a 1-month remote internship at **SkillCraft Technology**, focusing on **Next.js** and modern **JavaScript libraries**. Contributed to building responsive web applications, developing UI components. Enhanced skills in collaborative development, problem-solving, and delivering efficient solutions within deadlines.

- Next.js

PROJECTS

Aarogya-App [↗](#)

09/2025 – Present

Aarogya App Developed the backend of a healthcare application using Node.js, Express.js, and MongoDB, focusing on secure data handling, API integration, and performance

Youtube Clone [↗](#)

06/2025 – Present

YouTube Clone – Built a full-stack video streaming platform using Node.js, Express.js, and MongoDB, featuring user authentication, video upload/management, and responsive UI. The project replicates core YouTube functionalities while focusing on scalability, performance, and seamless user experience.

Travel Planning App

02/2025 – 05/2025

<https://github.com/Sahil-Rathod-0306/Travelltinerary>

Travel Itinerary Management System

- Django-based web app for planning and managing travel itineraries
- Users can add destinations, activities, and travel schedules
- Features secure login, itinerary sharing, and real-time updates
- Fully responsive UI built with HTML and CSS
- Tech Stack: Python, Django, HTML, CSS

Safety App

02/2025 – 03/2025

https://github.com/Sahil-Rathod-0306/SheCurity_App

SheSecurity App

- Real-time location tracking and sharing
- Emergency SOS button for instant alerts
- Contact list integration for quick communication
- Optimized for performance and responsiveness
- Clean and accessible UI design

INTERESTS

Extracurricular Activities

Passionate about cricket and traveling, and enjoys trying new things
